laSalle ENG
Universitat Ramon Llull

International Computer Engineering

	Dilluns		Dimarts		Dimecres		Dijous		Divendres	
	07-dic		08-dic		09-dic		10-dic		11-dic	
1st year					15:30	Basic Electronics			15:30	Algebra
2nd year					8:30	3D Graphics	11:30	Statistics and Mathematical Analysis	11:30	Databases
3rd year							15:30	Operating Systems	15:30	Interconnection of Data Networks
4th year					15:30	Distributed Architecture Projects				

	Monday		Tuesday		Wednesday		Thursday		Friday	
	14-Dec		15-Dec		16-Dec		17-Dec		18-Dec	
1st year	15:30	Introduction to computers			18:00	Programming Methodology & Technology	15:30	Business & Engineering	15:30	Design and Usability I
2nd year			9:00	Digital Systems and Microprocessors	11:30	Advanced Programming and Data Structures			9:00	Local Area Networks
3rd year	18:30	System Design and Administration								
4th year	18:30	Computer Architecture			15:30	Data mining	15:30	Project Management		

	Monday		Tuesday		Wednesday		Thursday		Friday	
	21-Dec		22-Dec		23-Dec		24-Dec		25-Dec	
1st year	15:30	Calculus								
2nd year	9:00	Value Chain & Financial Economics								
3rd year										
4th year										

Double Degree in International Computer Engineering & Business and Technology Management

	Dilluns		Dimarts		Dimecres		Dijous		Divendres	
	07-dic		08-dic		09-dic		10-dic		11-dic	
1st year					15:30	Basic Electronics			15:30	Algebra
2nd year							11:30	Statistics and Mathematical Analysis	11:30	Databases
3rd year					8:30	3D Graphics	15:30	Operating Systems	15:30	Interconnection of Data Networks
4th year										
5th year					15:30	Distributed Architecture Projects				

	Monday		Tuesday		Wednesday		Thursday		Friday	
	14-Dec		#####		16-Dec		17-Dec		#####	
1st year	15:30	Introduction to computers			18:00	Programming Methodology & Technology	15:30	Business & Engineering	15:30	Design and Usability I
2nd year			9:00	Digital Systems and Microprocessors					9:00	Local Area Networks
3rd year					11:30	Advanced Programming and Data Structures				
4th year	18:30	System Design and Administration					15:30	Project Management		
5th year	18:30	Computer Architecture			15:30	Data mining
